*A key to the Rate/Rank abbreviations is provided immediately following the list of crew members.

**With the exception of 4/6/45, the "Last Qtr" date indicates the last full calendar quarter crew member served on the Emmons.

? - Sources available do not identify dates for many of the officers. Research continues to ascertain these dates.

1 - Many of the 4/6/45 Status designations below indicating "Killed" were initially listed as "Missing" and later changed to "Killed."

2 - It could not be determined when five crew members left the Emmons. It is assumed they served during the fitting-out period.
